Land with Traditional Farm House in Frenaros

€225,000

 Frenaros, Famagusta

Situated in the serene countryside of Frenaros, Ammochostos, this expansive farm spans an impressive 10,000m² and is equipped with a right of passage for seamless access. The property boasts a charming 75m² house, beautifully constructed with natural stone, blending harmoniously into the rural landscape. Additional features include a covered storage space and a cozy inn, catering to varied agricultural and residential needs.

Water supply is ensured through both a drilled well and the southern pipeline, supported by a large water storage tank. An electric transmitter facilitates efficient irrigation, complemented by an underground hose system that simplifies water distribution throughout the property. The estate is thoughtfully fenced, ensuring security and privacy
